- central air
- low-E argon windows
- ensuite bath with jetted tub and sauna
- oak hardwood flooring
- ceramic tiles
- designer paint scheme
- wine cellar
- and much more...

An immaculate lake view home located in the much sought after community of Kaleden. Enjoy over 2900 sq ft of bright living space and thanks to a well laid out open concept floor plan you can enjoy the lake views from every room. The kitchen features stainless steel appliances and a large kitchen island makes this a central gathering point in the home. Combined with the adjoining large dining and living room, you have everything you need for entertaining. The master bedroom features a large ensuite bathroom complete with jetted tub and sauna. Privacy is achieved with two additional bedrooms, den, and large family/games room located on the main level, making this home an ideal Okanagan retreat for your out of town visitors, or set up as a bed & breakfast. Share a taste of your favourite wine in the impressive wine room. The home has been tastefully updated featuring solid oak flooring, ceramic tiles, and designer paint scheme throughout. The home stays cool in the summer thanks to Low-E argon windows and newer central air conditioning. Several large view decks to take in the scenery and an enclosed sundeck is perfect for your year round outdoor enjoyment. Situated on a nicely sloped .40 acre lot surrounded by a vineyard.
